

## Spectator Conduct for Pearson Matches

Spectators are asked to conduct themselves within the spirit of the game and are requested to follow these guidelines

- Ensure all mobile phones are on silent or switched off
- During play please keep still and quiet
- Do not walk close to players or talk to them - this clearly avoids any allegations they have been offered advice, as even encouragement can be interpreted as advice. If advice is seen or heard to be given you will contravene Rule 10 and the player will then be liable to a General Penalty
- Do **not** walk on the fairway or greens at any time. When following matches you are advised to walk on pathways or in the rough and view play from a distance and location that does not cause distraction
- Do **not** offer information to players on Local Rules or the Rules of Golf. However please do contact the relevant Pearson Team Captain or during the finals the Rules Official for help and advice
- You may assist in ball spotting and searching for **both** players– allowing for the 3-minute rule permitting such a search
- You should not touch a ball if it might be a players' ball
- You must **not** carry or handle a players clubs or equipment as the player can then be liable to a General Penalty - your actions could be construed as caddying
- You may assist evacuating players in the event of a weather suspension
